

1) Teacher Webpage Website Properties_Photo

My Advice: Use Firefox as your Browser

Login to work in the edit mode
of your website.

Shortname

Shortname.last four of social
(unless you have changed it)

Welcome to the AISD Teacher Webpages Login

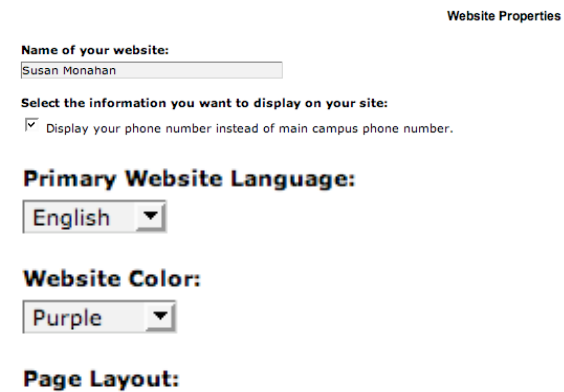

Username:

Password:

Click Website properties.

Make some basic "design"
choices. These can be changed
at any times.

Website Properties

Name of your website:

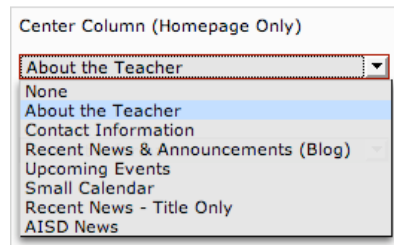

Select the information you want to display on your site:
☒ Display your phone number instead of main campus phone number.

Primary Website Language:

Website Color:

Page Layout:

You can choose what goes where
on your front page.

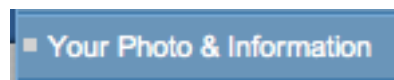

Center Column (Homepage Only)

- None
- About the Teacher
- Contact Information
- Recent News & Announcements (Blog)
- Upcoming Events
- Small Calendar
- Recent News - Title Only
- AISD News

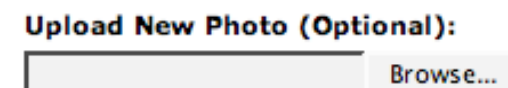

Submit is way at the bottom.
It's how you save.

Click Your Photo & Information.

Have a photo ready to upload
on your desktop. Browse to
locate it. It will be sized
automatically.

Upload New Photo (Optional):

Some info is supplied by Human Resources; some you enter yourself.

Position:

Technology Facilitator

Subjects You Teach or Grade Level:

Prek-8

Your AISD Email Address:

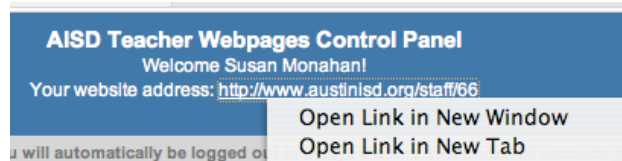

smonahan@austinisd.org

Your AISD Phone Number:

414-6557**

Submit

Note the number assigned to you. Right click or ctrl click (mac) on it and Open Link in new tab. (In Firefox)

Now you have a tab for the editing view and the public view.

To show others your website: austinisd.org/staff/XXXXXX.
(number assigned by teacherwebsite admin after you login the first time)

To edit: austinisd.org/teacherlogin

After you have logged in and worked on your website, your name will be linked in the Directory.
